# CAREGIVERS CORNER: WELLNESS SERIES PAINT AFTERNOON

Join us each month as we connect with community partners for interactive workshops that promote positive brain health, meaningful connections, and well-being.

*Enjoy a fun and relaxing afternoon of painting where you'll create your own masterpiece! Instructor Laurie will guide us through an interactive painting session, and you will be able to take home your masterpiece at the end. No experience required - all materials are provided. Wear clothes you may get paint on.*
